Graco FastAction Fold Jogger Stroller

★★★★★ overall

Excellent quality! Can't wait to use it!

Dawn D.

★★★★★

I recently received this jogger travel system as a gift, and I am very pleased! My baby is still cookin', so I haven't had a chance to actually USE it, but so far I think it is excellent! My husband assembled the whole thing in 10 minutes, so it was pretty simple to put to together. I didn't have any issues figuring out how to attach the car seat to the stroller or remove it. Collapsing the stroller is also extremely simple!

LOVE this jogger!

Item Details

The InStep Grand Safari swivel wheel jogger in yellow is ideal for active families. It has a 5-point harness system that keeps your child securely seated. It can also accommodate an infant car seat in the rear facing position. Its lockable front swivel wheels offer a smooth and stable ride. The single jogging stroller has a reclining seat that makes your child's ride comfortable, whether taking a nap or enjoying the scenery. The stroller stays put where you park it with a foot-activated, dual-rear parking brake. This baby jogging stroller has an adjustable height handle that allows you to push the stroller in comfort. It folds easily for storage and portability. Other convenient features of this jogging stroller are the canopy that protects your little one from outdoor elements, the roomy storage basket under the seat and built-in cup holders to keep beverages handy.

Features: 2 Built-in Cup Holders for Baby,
